

REMARKS

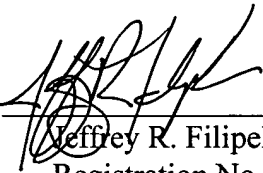

The Notice of Allowance and Fee Due Form (PTOL-85) indicates the title of the invention as "Speech Control Device and Speech Control Method." However, the title of the invention is "Call Control Device and Call Control Method." The Applicants did not amend the title and there is no indication of an Examiner's Amendment on the record. Therefore, it is assumed that the Examiner changed the title at the time of Notice of Allowance.

However, Applicants disagree with the change in title and request that the title be changed back to "Call Control Device and Call Control Method."

In view of the above, it is requested that the present amendment be entered.

Respectfully submitted,

Makoto KATO et al.
